Enjoy your stay...

Thompson House Equestrian Centre is just five minutes from junction 27 of the M6, right in the heart of Standish. It is a fully accessible site and boasts stunning views of Rivington Moor, on the border of the boroughs of Chorley, Blackburn with Darwen and Bolton, in the North West of England.

Our short breaks are an opportunity to enjoy quality time with family or friends, go on an adventure, try new things, explore different places, have fun, meet new people, or just a chance to relax and recharge your batteries.

Bring your pet...

Don't feel sad about leaving your pet at home - for a small fee, you can bring your dog too as long as it is kept on a lead. We have an on-site dog grooming parlour and offer competitively priced doggy day care if you plan to take a trip out without your pet.

There is a 2-mile public footpath around the site, which is ideal for a long walk in the fresh air with your dog.

Lots to do...

Whatever the size of your party, there's lots to do on site. On weekdays, we offer a range of activity sessions for a small charge, including: floristry, arts and crafts, music and dance, drama, cooking, horticulture, bushcraft, and many more.

We also have:

- a small animal farm, with chickens, goats, ducks, peacocks, pigs and rabbits
- indoor and outdoor soft play areas, with a trampoline, climbing frame, swing and roundabout
- an on-site fruit and vegetable shop, selling fresh, local produce

And during your stay, why not treat yourself to an accessible carriage ride. Book this in advance of your stay by phoning the equestrian centre on 01257 422618.
