## Medical Conditions

If you have any pre-existing medical conditions, please describe below

- I acknowledge and agree that I will pay a deposit of £15 to secure my place on the challenge, and that this registration form alone does not secure my place. I also agree to pay any remaining monies owed after this initial £15 deposit no later than the 1st of May 2018.
- I acknowledge and agree that I will be expected to fundraise a minimum of £50 on top of the fee(s) above for the charity My Life Legacy.
- I acknowledge that partaking in a Three Peaks Challenge can be dangerous and that I am responsible for my own safety on this challenge and will therefore be sensible and put safety as the main priority. I understand that My Life will provide support, advice and directions where possible but due to the nature of the challenge this will not always be possible, and they cannot be responsible for the individuals and teams participating in this challenge. I understand this is ultimately a charity fundraising challenge and all participants should enter into the spirit of the challenge in a fun, enjoyable, supportive and safe manner.
