

Have you got a really big heart?

My Life is a Wigan-based charity that works with children, young people and adults with a range of disabilities, mental health problems and difficulties associated with old age. We support people to access education, meaningful opportunities and to live a good life.

Due to the expansion of our charity, we are looking to recruit an amazing group of people to support individuals across health, care and education, either at our sites in Standish and Leigh, or out in the community. The posts available offer full training, are salaried, have guaranteed hours, will support your continual professional development and will match you into a job that uses your skills, gifts and talents.

We are offering FREE training to enable you to understand the job, build your confidence, find something that fits in with your lifestyle, have fun, meet new friends and gain qualifications.

If you would like to get involved, or just want more information come along to our Pathways to Employment introductory session on:

23rd of April 2018 from 6:30pm to 7:30pm.

If you like what you see at the introductory session and think you have what it takes, you will have to commit to a free three day training course on the following dates:

12th, 19th and 26th of May 2018 from 10am to 4pm

It might just be the best thing you ever do!
