Live Life MUSIC FESTIVAL

Sponsorship Package

2018

ABOUT US

My Life My Way is a registered charity based in Accrington. Our aim is to support social inclusion among disabled children, adults and older people and their families through raising public awareness of the equality issues affecting people and providing a wide range of opportunities to support people to develop skills and confidence to speak up and know their rights.

My Life is a registered charity, based in Wigan. We support people of all ages, with and without disabilities. Our aim is to prevent social isolation and loneliness by connecting people with their communities and providing opportunities for them to learn new things, do something meaningful, meet others, develop lasting friendships and have fun. We do this by arranging events where the whole community can come together, and providing regular day me activities such as horticulture, animal care, dance and drama, arts and crafts, and many more.

This summer we are working together to LAUNCH the 2 day 'Live Life' Festival offering a full festival experience with outstanding music, entertainment and opportunities to meet come together to celebrate our communities, meet new friends, have fun and find out about things that are happening across the North West.

Our festival ambitions are, and always will be, to provide a value for money experience, for people of all ages and varying musical tastes. We make every effort to make sure our events are accessible to all so that everyone has the opportunity to experience a wide range of musical acts within a safe and supportive environment. A Fest For All logo lets you know that the team are ready and willing to think about any adjustments we can make to make sure the events are accessible to all.

Live Life Festival boasts performances on at least 2 different stage areas to accommodate different music tastes and additional performances and attractions such as - Music workshops - Street entertainers - Dancers - Art and Crafts and much more, with opportunities for people to dance, or simply relax in our chill out space and take it all in. There is something for everyone and if there isn't just tell us and we will always do our best.

Acts for each event will be announced on the website as they are confirmed.

Our accessible Festival is truly a unique experience, with a great deal of fun and excitement.

"Last year we ran a SOLD OUT one day festival – Ossyfest! Ossyfest helped us to set a solid foundation for future events. People with learning disabilities, autism or both and families told us that they didn't feel their access needs were always taken properly into account at large events so we worked with groups of people and ran our first festival to help us to develop a Fest For All Logo. We hope Fest For All will reassure people that events using the logo will have taken into consideration the access needs of a wide range of people to help make everything we do accessible to all. Living Life, 2 day festival is the next step people asked to take, so challenge accepted"

Lynn James-Jenkinson- My Life My Way Trustee
